

Fire Department Pre-plan

Property owner name: _____ Date of pre-plan: _____

Address: _____

Representative who filled out the pre-plan: _____ Phone: _____

Fire chief: _____ Phone: _____ E-mail: _____

Name of main responding fire department: _____ Distance from the home: _____

How was the distance determined? _____

Is there a public hydrant within 1000' of the home? Yes No

Is there an alternate water source within 1000' of the home? Yes No

If yes, please describe the alternate water source:

Would this water source be acceptable year round? Yes No

If the water source is not acceptable at this time, please describe what needs to be done to make it acceptable as a year-round source of water:

If there is no public hydrant within 1000' and no alternative source of water, explain how the fire department plans to fight a fire (e.g. shuttle, tanker, large diameter hose, etc.):

Is there an entry gate to the property? Yes No

If yes, please describe how the fire department would access the property in the event of a fire (i.e. Knox-box, have code):

Are there any other obstacles impeding fire department access to the home (e.g. narrow driveway, bridges, overhanging trees, steep inclines, winding road, etc.)?

Please list the trucks that are brought upon initial response:

1.) _____ GPM: _____ Gallons tank: _____

2.) _____ GPM: _____ Gallons tank: _____

3.) _____ GPM: _____ Gallons tank: _____

4.) _____ GPM: _____ Gallons tank: _____

5.) _____ GPM: _____ Gallons tank: _____

Is there a Mutual Aid agreement with the surrounding fire departments? If so, please describe the relationship, distance to the home and the water brought on initial response:
