**Helpful Hints**

- Get the full contact information of all parties involved, drivers, occupants and owners of other involved vehicles along with any witnesses.
- Do not accept responsibility or discuss the accident with anyone other than law enforcement or one of our claims representatives.
- If you can safely take photographs that may help document the scene, please do so.
- Have all of your shipping documents in order as they will be needed for your claim.
- Cargo claims require a copy of the Bill of Lading and name of consignee or consignor.
